Vocational Training
(Ausbildungsberuf)
Start date

Expected end date

Home company

Home school/college

Period of the stay
(Possibility to enter several
periods for several stays)
From ... to ...

Year of training in which
your stay took place?

Hosting country

Hosting company

Hosting school/college (if
available)

central questions

Technical added value

Vocational things which you have experienced in your daily work.

- Where have you observed the biggest differences between your home and your hosting company?
- Which new vocational things have you learned?
- What did the daily work in your company look like?
- Which new work techniques have you learned?

Linguistic added value

Things which you have experienced while using the foreign language.

- Which foreign language have you used for your communication with which persons?
- How was your communication in the foreign language?
- To what extent have you improved your foreign language?
- How has your interested in the used foreign language been influenced by your stay abroad?

Intercultural added value

Things which attracted your attention in your living together with other people.

Specific features of your hosting country

- What things are carried out extremely different than in your mother country?
- What is in your eyes "typical" for your hosting country?

Cooperation with another culture

- Did you have (pos. or neg.) prejudices before leaving your mother country? If yes: Which of your prejudices have been confirmed?
- Have you been confronted with (pos. or neg.) prejudices? If yes: With which prejudices?
